GETAC F110 G6 TABLET DOCKING STATION

Engineered for the demanding work environments in utility, public safety, and material handling

Designed for the Getac F110 fully rugged tablet, the Gamber-Johnson F110 docking station helps field service professionals meet the demands of extreme working environments. Full port replication provides the peripheral connections needed to support a mobile office environment and the fast dock/release saves time when taking the tablet out for your work. This docking station accommodates the magnetic strip reader and hand strap. The keyed-lock provides added security and theft deterrence.
