

GETAC T800 TABLET DOCKING STATION

Engineered for the demanding work environments in utility, public safety, and material handling

Designed to protect the Getac T800 rugged tablet, the Gamber-Johnson T800 docking station offers a compact design providing the perfect mobile solution for applications where vehicle cabin space is at a premium. The dock accommodates the T800 X-Hand Strap, an option every mobile professional will find useful. A push and turn lock makes docking and undocking the computer easy while the keyed lock provides added security for theft deterrence.

CERTIFICATES & TESTING

- Getac Certified
- Vibration Tested: MIL-STD 810G Operational/Non-Operational
- Cycle Test: Latch, Lock, and Docking Connector - 30,000 Cycles
- FCC, RoHS, CE Certified
