

# GETAC V110 LAPTOP DOCKING STATION

Engineered for the demanding work environments in utility, public safety, and field service applications.

Gamber-Johnson's Getac V110 Vehicle Docking Station is the perfect match for the Getac V110 fully-rugged notebook. The dock can be rotated for use in either tablet or laptop position offering more flexibility to your mobile office. The front safety bracket is designed to help align your computer making it easier to dock and undock your computer.
